

Our Family

All our love and
prayer,

Danny, Casey,
Zoey, & Quinn

Dear Birth Mom,

We know this road has not been an easy one for you – and you're extremely selfless and courageous for doing what you're doing. We'd love to build a relationship with you and maintain a semi-open relationship between you & this child to a level we're all comfortable with.

As parents, we will love this child unconditionally. In fact, in time, they could get tired of the daily reminders that they are loved and that we're proud of them. They'll be welcomed into our nuclear family, extended family, friends, neighbors, and church community with joy and open arms. We will let this child thrive by leaning into his/her God-given talents and abilities, and helping them foster a relationship with the Lord, growing into all they are meant to be.

Thank you for taking the time to consider us to adopt this child. Whatever you decide, we're rooting and praying for YOU!

Meet Zoey (left) and Quinn (right)

Zoey is: Driven, Observant, Athletic, Empathetic

Zoey and Quinn will ask frequently, "When can we have another baby in the house?" They're SO excited to welcome another brother or sister into or home and pray for them nightly.

The Story of Us

We met in 2015 while both studying engineering at Ohio State. We had a mutual love of Jesus, family, sports, good food and making others laugh. We got married in March 2020 and later moved to Texas where we now are rooted and surrounded by family, community, and strong friendships.

Around the World

From Colorado to the Beach to Spain...

Our Extended Family

We have both sets of grandparents within 20 minutes as well as Casey's sisters family and uncles/aunts/cousins, etc in the DFW area that we see frequently (not just holidays)! We also travel to Ohio at least once a year to see Danny's extended family and face time frequently!

Our Community

We are firm believers in doing life with a strong fellowship of other Jesus followers! We frequently host our small group and Bible studies, other neighbors for dinners, get together, and holidays!

We also love volunteering in our community by packing boxes at our local children's food shelter in DFW and serving monthly in the special needs ministry of our church!

Our Holidays and Traditions

We LOVE all things Christmas and start celebrating after Halloween!

We also love getting together with family for all major holidays, birthdays, and we cannot wait to add an adoption day to that list!

Thank you
from the
bottom of our
hearts!
